

Premier Forest Products Ltd

Health and Safety at Work Act 1974

H & S Policy Statement

General Policy Statement on Health and Safety

This is the Health and Safety Policy Statement of Premier Forest Products Ltd and it is our intention to ensure, so far as is reasonably practicable, that: -

- a) the health and safety risks arising from our work activities are adequately controlled;
- b) our employees are consulted on all matters affecting their health and safety;
- c) safe plant and equipment is provided and maintained;
- d) articles and substances are handled, stored and transported safely and without risk to health;
- e) adequate information, instruction, training and supervision is provided to secure the health and safety of all employees at work;
- f) all employees are competent to do their tasks safely;
- g) accidents and cases of work – related ill health are prevented;
- h) workplaces under our control are kept safe without risk to health and have a safe means of access and egress;
- i) a safe and healthy working environment with adequate welfare arrangements is provided;
- j) wherever possible we meet our legal obligations in full as outlined in all relevant health and safety legislation;
- k) we constantly review our health and safety performance and set new objectives annually; and that
- l) this policy statement and all supporting safety arrangements are regularly reviewed and revised where necessary.
